222 Millwood Rd., Lancaster, PA 17602 • 717-464-2800 • www.banditmachineworks.com

Bandit Lockup Covers

Provides protection for your lockup and for the rider's leg.

Lockup covers are available in 3 models with a bearing for use with an outboard support, and 3 models for stand alone use without a support, and will cover either a Bandit lockup or an MTC multistage lockup when used on a Bandit belt drive. Bandit belt drives are available with Tech and Primo motorplates, and are available to retrofit most other motorplates.

Engraved Customized Covers

Covers available blank or with custom engraving.
